

CBS is an interdenominational study utilizing a unique format of personal study, small group fellowship, relevant teaching and written commentaries.

Study: Do you know where your heart is? Oh I don't mean the one inside of your chest, I mean the source of your desires. The location of your heart can be determined by where the things you treasure are, according to the **Gospel of Matthew**. It was written from a Jewish point of view which gives us wonderful insights into the world Jesus lived in. It also gives us the opportunity to study the Lord's Prayer in detail and learn more about our own prayer life in the process. If you are a beginner in the Bible or a seasoned saint, this will be a life changing study! Join us as we pursue treasure that lasts.
